## Scholarship Recognition Program in Brisbane ??????

### Does Brisbane Chamber offer such a program?

**The Answer is Y E S !!!!**

The Brisbane Chamber's Scholarship Recognition Program is unique in several ways.

- Few Chambers of Commerce have such a program at all and none that we know have made as many awards as we have
- It recognizes scholarship and is not merely financial aid because we want to emphasize the importance of being a good student.
- Eligibility is unique in that to qualify a person must be able to answer, "yes", to one of the following questions:
  - ✓ Have you been a Brisbane resident for at least 6 months prior to making application for the Scholarship Recognition Program?
  - ✓ Are you the dependent of an employer or employee whose company or business has held membership in the Brisbane Chamber of Commerce for at least six months prior to making application for the Scholarship Recognition Program?

Anyone who can answer affirmatively to any of the above questions is eligible as long as they will be a college or trade school student in the school year following the award.

Take a serious look at these eligibility criteria. This is a truly impressive program!

This program is not only open for Brisbane residents; it is also open to the entire Brisbane community, including both residential and business Chamber members' employees, including their direct dependents.
